Terms and Conditions of Sale

ORDERS: State size desired and give specific shipping instructions—whether by freight, express or motor, date of delivery and to whom notice of delivery and invoice is to be sent. If no shipping instructions are included we will ship by best carriage. If no date is specified we will ship at once or as soon as weather or conditions of plants allow.

LINING OUT STOCK. Lining out material is shipped bare root with the roots puddled and protected with damp moss. Azaleas and Rhododendrons having a natural ball are protected with paper.

SPECIMEN PLANTS. All specimen stock is shipped balled and burlapped except small Boxwood and Lilacs. These items are mossed.

TRANSPORTATION. All shipments are adequately and carefully packed; and shipped over the Central New Jersey or Pennsylvania Railroads, or by motor freight. We can arrange truck load deliveries to Philadelphia for \$18.00, New York City \$35.00 and Baltimore \$35.00, other distances in proportion.

PRICES We quote 1 to 50 plants of ONE KIND at the 10 rate, 50 to 300 at the 100 rate and over 300 at the 1000 rate. Packing at cost of material.

TERMS: Orders from NEW CUSTOMERS not accompanied by cash or references will be shipped C. O. D.. Your bank and two business houses with whom you have dealt three or more years are considered necessary references. **REGULAR ACCOUNTS** are due net 30 days or 2% discount 10 days. When cash accompanies order packing is not charged. Interest is charged on past due accounts.

GUARANTEE: Our stock is true to name and is of size and quality represented. We give no other guarantee or warranty.

INSPECTION: All plants shipped OUTSIDE the Japanese Beetle Quarantine ARE accompanied with a Japanese Beetle Certificate. Shipments INSIDE the Japanese Beetle Quarantine Zone will NOT have a Japanese Beetle Certificate unless requested. All shipments ARE accompanied with a New Jersey Nursery Certificate of Health.

CLAIMS: If stock is unsatisfactory, claims should be made promptly upon receipt of goods. No claims after 10 days.

—**Kaempferi Hybrid Seedlings**—Seedlings of the Kaempferi Malvatica crossing with flowers in various shades of red, pink and flame colors.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50
2 to 2½ ft. B&B	2.25	2.00
2½ to 3 ft. B&B	3.25	

—**Kaempferi Hybrids**—The result of crossing Kaempferi and Malvatica to obtain the hardiest type of Evergreen Azalea with a good range of color in flowers. These unusual new Azaleas have proven hardy in the last few severe winters and are the only Azaleas that have flowered.

—**Atalanta**—Immense large orchid-pink flowers. Plants are strong tall growers. Late flowering variety.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50

—**Cleopatra**—A very hardy, rapid growing, upright variety producing an abundance of beautiful shell-pink flowers. This makes a striking effect when used in mass plantings with varieties Fedora and Othello.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50
2 to 2½ ft. B&B	2.25	2.00
2½ to 3 ft. B&B	3.25	3.00

—**Fedora**—The exceptionally large pink flowers of this variety have won first prizes wherever exhibited, here or abroad. The hardiness and vigorous open growing habit recommend this variety especially for outdoor mass planting. Also an excellent forcing variety.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50
2 to 2½ ft. B&B	2.25	2.00

—**Martha**—A large orchid-pink flowered dwarf grower. The extreme hardiness and flat spreading habit recommend it for border planting. Latest flowering Kaempferi Azalea.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50

—**Mikado**—This variety produces flowers the same red as Hinodegiri Azalea but is much hardier and has a tall, upright growing habit.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	

10 rate 100 rate

— **Othello**—This orange-red flowering variety is very effective when used with Fedora and Cleopatra in mass plantings.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	1.50
2 to 2½ ft. B&B	2.25	2.00

— **Zampa**—This variety has immense large crimson pink flowers and is a sturdy grower.

° 12 to 15 in. B&B	\$0.90	\$0.75
° 15 to 18 in. B&B	1.25	1.00
18 to 24 in. B&B	1.75	

— **Mollis**—Deciduous Chinese Azalea having flowers of yellow, orange and red shades.

° 8 to 10 in. B&B	\$0.60	\$0.50
° 10 to 12 in. B&B	.75	.60

SPECIAL LANDSCAPE GRADE RHODODENDRONS

In the thousands of Rhododendrons growing on Koster Nursery there are naturally many plants that are irregular in shape or poorly budded, etc., but they are all perfectly healthy plants even though they are not specimen plants.

These Rhododendrons are excellent for naturalizing, bedding and massing where specific colors are required. We offer these landscape grade Rhododendrons in assorted named varieties containing mostly President Lincoln, Roseum Elegans, Mrs. C. S. Sargent, Amphion and Catawbiense grandiflorum and smaller amounts of other varieties.

100 Rhododendrons 2 ft. \$150.00, net

Syringa vulgaris. All our lilacs are being cut back and transplanted. They will not be saleable for a year except some 3 to 4 ft. and 4 to 5 ft. Mme. Lemoine and Ludwig Spaeth which were transplanted last year. See page 12 for list of varieties we grow.
